General Conditions:

A deposit of 50% of fees is required at booking (when the initial appointment fee will be re-imbursed). The balance of the obstetric fee is invoiced after delivery.

Mr Dennes shares on call arrangements with consultant colleagues at the Portland and Imperial (Lindo Wing and Queen Charlotte's and Chelsea Hospital) and Kensington Wing (Chelsea and Westminster Hospital). Any prolonged absence due to annual leave will be notified to patients at booking.

Obstetric fees do not include costs for ultrasound scans, or investigations.

Please note that hospital charges are invoiced separately by the hospital. This also applies to the anaesthetic and paediatric fees.

We do not liaise directly with insurance companies, but would ask patients to kindly settle their invoices and to reclaim any charges from their insurance company. We would be happy to provide detailed invoices for insurance companies as necessary.

For more information about our services or fees, including ultrasound scans please call 020 7935 4431 or email: secretary@londonobstetricpractice.co.uk
